11. Terms

By making this request, you are agreeing to the following.

- 11.1 **HSBC, we, our and us** means the member of the HSBC Group to which **you, the Applicant**, are making this request.
- 11.2 You request HSBC to issue (and, if you have selected the second option in section 3.2 above, to procure the confirmation by another bank of) the documentary letter of credit described above (the **LC**). While the LC is in issue, you undertake to: (a) insure the goods to which the LC relates (the **goods**) for all periods during which, under the relevant trade terms, you are responsible for them, or for insuring them; (b) provide HSBC with evidence of this insurance on request; and (c) notify HSBC promptly of any insurance claim relating to the goods.
- 11.3 This request will be supported by, and subject to, the following terms in the following order of priority, first, the applicable facility letter or other agreement(s) between you and HSBC for the provision of trade finance; secondly, the terms of this request form; and thirdly, any other terms that apply generally to documentary letters of credit we issue at your request.
- 11.4 You represent and undertake that, while the LC is in issue: (a) you have not obtained and will not obtain any other financing in connection with the goods, nor grant nor permit to subsist security over the goods (or any insurance proceeds relating to them) other than security in favour of HSBC or a lien that arises by operation of law in favour of a party that is storing or shipping the goods; and (b) you have or will obtain all import licences and other permissions (if any) necessary to import the goods into the destination country specified in section 6 (Shipment details) above.
- 11.5 If HSBC does not have a relationship with the bank local to the beneficiary that you have specified in section 3.1 above, or you have not specified a bank, you authorise HSBC in its discretion to use any bank in the beneficiary's location with which HSBC does have a relationship. You agree that if HSBC uses the services of another party in connection with the LC, HSBC does so for your account and at your risk.
- 11.6 You acknowledge and agree that: (a) if any charges are for the account of the beneficiary and it is not possible to deduct these from any payments made to the beneficiary, you will be liable to reimburse HSBC for these charges; (b) HSBC will issue the LC subject to the latest revision (as at the date of issue) of the Uniform Customs and Practice for Documentary Credits of the International Chamber of Commerce Publication (**UCP**) using wording HSBC considers appropriate; (c) HSBC and any other bank involved with the LC is entitled to rely on the protections for banks that UCP contains; and (d) HSBC is authorised to prepay or purchase a draft accepted or a deferred payment undertaking incurred under the LC.
- 11.7 You agree to pay HSBC a commission on the maximum LC amount at the rate and at the time(s) we agree with you or, if we have not agreed a rate or time with you, at our applicable standard rate and at the time(s) we notify to you. You also agree to pay ancillary charges relating to the LC. Details of our standard commission rates and ancillary charges are available on request.
- 11.8 You represent and warrant that neither you, nor any of your subsidiaries, nor any of your or your subsidiary's directors, officers, employees, agents or affiliates, is an individual or entity (**person**) that is, or is owned or controlled by, persons that are: (a) the target or subject of any sanctions administered or enforced by the US Department of the Treasury's Office of Foreign Assets Control, the US Department of State, the United Nations Security Council, the European Union, Her Majesty's Treasury or under the laws of the place where the HSBC office to which you are making this request is located, your jurisdiction of incorporation or HSBC's jurisdiction of incorporation (collectively, **sanctions**); or (b) located, organised or resident in a country or territory that is, or whose government is, the target or subject of sanctions.
- 11.9 You undertake that you will not, directly or indirectly, use, or facilitate the use by any of your subsidiaries or joint venture partners or by any other person of, the trade product you are requesting from us in this request: (a) to fund any activities or business of, or with, any person, or in any country or territory, that, at the time of such funding, is, or whose government is, the target or subject of sanctions or (b) in any other manner that would result in a violation of a sanction by any person.
- 11.10 You represent and warrant to us that the details in this request form, or in any other document you provide

to us in connection with this request, about the underlying relationship and the related goods or services are accurate and are those of a genuine transaction(s).

- 11.11 You confirm that you: (a) comply in each jurisdiction in which you operate with all applicable anti-bribery laws of that jurisdiction and of your jurisdiction of incorporation; and (b) are not party to, or used by any other person for, any money laundering or terrorism financing.
- 11.12 You irrevocably and unconditionally authorise HSBC to pay or otherwise honour any claim made or purported to be made under the LC that appears on its face to be in order (a **claim**), even if you or any other person contests HSBC doing so. Any action HSBC takes in compliance with this authority will, as between HSBC and you, be conclusive evidence of HSBC's liability to satisfy that claim (including as to the manner and amount of it). You must immediately on demand: (a) pay to HSBC an amount equal to the amount of any claim; and (b) indemnify HSBC against any other cost, loss or liability incurred by HSBC (otherwise than by reason of HSBC's gross negligence or wilful misconduct) in connection with the LC, in the currency in which the amount is incurred or, if HSBC so specifies, in 'the currency of the territory in which the HSBC office to which you are making this request is located, calculated at HSBC's selling rate for the relevant currency at the time HSBC demands payment from you.
- 11.13 If you have answered 'request a loan' in section 9.1 above, you are irrevocably: (a) requesting us to provide you with a loan for the period specified in section 9.2 in the currency specified in section 9.3; and (b) if we decide to make this loan available to you, instructing us to apply the loan proceeds in or towards discharge of your indemnity obligations under section 11.12 above. The amount of the loan will be the amount due and outstanding from you under section 11.12 or such lower amount as we agree to lend you. If we make a loan available to you, you undertake to pay us a financing fee in respect of that loan, to repay that loan at the end of the loan period specified in section 9.2 and to pay us interest on that loan amount in the amount and at the time(s) we agree with you, or if we have not agreed an interest rate or time with you, at our applicable standard rate and at the time(s) we notify to you. Details of our standard fees, interest rates and payment times are available on request.
- 11.14 You acknowledge and intend that: (a) if you have granted a general pledge in our favour, the delivery of any documents representing title or absolute control to goods you own and that this loan is financing (or will finance) into our possession (whether actual or constructive) shall be subject to its terms, and that pledge will attach to those documents, goods and any related sale proceeds as security for this loan and all other amounts you may owe us in connection with it; and (b) if you have granted us a general assignment of contracts or receivables, that assignment secures this loan and all other amounts you may owe us in connection with it and will cover any rights you have against your buyers or any other person to be paid, on time and in the agreed currency, for the goods to which this loan relates, and (if that general assignment so requires) you hereby designate each contract under which any of those rights to be paid arise as an assigned contract under that general assignment. You undertake not to create or allow, while the loan is outstanding, any mortgage, charge or pledge, any lien not arising by operation of law, or any other encumbrance over any of the goods or related sales proceeds or contractual rights that are connected with this loan other than security in favour of HSBC. You agree to take at HSBC's request, whatever steps are necessary or desirable to make the goods and/or their proceeds subject to the security in favour of HSBC that you intend under this clause.
- 11.15 You irrevocably authorise HSBC to debit: (a) the relevant account specified in section 9 (payments from you) above; or (b) if no relevant account is specified, in accordance with any standing instructions we have from you that apply to amounts of that type; or (c) if we have no standing instructions for payment of amounts of that type, any account you hold with HSBC, with any amount you owe HSBC in connection with this request or the LC, or any loan you have requested in section 9.1, when that amount falls due.
- 11.16 If currency conversions are needed to carry out your instructions or authorisations above: you are exercising your option to take up the FX contract(s) mentioned in section 9.5 above (if any), subject to the terms of those FX contracts; and (b) absent an applicable FX contract or spot trade, you authorise us to carry out the relevant currency conversion(s) using HSBC's selling rate for the relevant currencies at the relevant time.
- 11.17 You agree to pay, on demand by HSBC, an amount up to the maximum LC amount then outstanding in the currency of the LC (or, if HSBC so directs, its equivalent the principle currency of the territory in which the HSBC office to which you are making this request is located) into an account in your name held with HSBC or in the name of HSBC: (a) from which withdrawals may only be made to pay HSBC amounts due and payable in respect of the LC; (b) the credit balance of which will not be due or accruing due to you, until the amount outstanding under the LC is zero; and (c) if the account is in your name, over the credit balance of which HSBC has a satisfactory security interest and no third party has any security interest.

11.18 Your request and the terms in this section 11, and any non-contractual obligations arising in connection with any of them, are governed by: (a) the law that governs the trade facility under which you are making this request (as stated in the facility agreement for that trade facility); or (b) if you have no such trade facility with HSBC, by the law of the jurisdiction in which the HSBC office to which you make this request is located, and are subject to the non-exclusive jurisdiction of the courts in that jurisdiction.
